

A force to be reckoned with [BSM Developers](#) is swiftly carving their way in the Real Estate Industry churning out successful projects one after the other. A Legacy that started with Bilal Steel Mills and Gwadar Golf City, one of their latest accomplishments include a Smart Housing Project on the road of our heritage and culture. Located on Main GT Road Kharian- Sarai Alamgir 'New Metro City' is one of the most luxurious and modern housing project that has captured the attention of ever real estate inventor nationwide as well as globally.

## About New Metro City

We are Visionaries who can foresee beyond the realms of traditional Real Estate, BSM Developers Crowning glory '**New Metro City**' is a timeless and unique product that is to execute at the highest level of luxury and modern elegance. After the successful launch and an overwhelming response from the masses towards our flagship project, Gwadar Golf City in Gwadar, New Metro City will bridge the gap between conventional real estate and a world beyond your imagination. Another signature project from the House of BSM Developers 'New Metro City' is located at a historic crossroad between Kharian and Sarai-Alamgir.

BSM Developers believe that when it comes to searching for the perfect home for yourself what lies at the edge of the front door is just as important as what lies behind it. That's why you can trust us to find you a place of solitude that not only creates harmony in your life but your surroundings as well.

From the house of **Mr. Malik Riaz Hussian, Mr. Bilal Malik (Grandson of Mr. Malik Riaz)** continues the legacy of his family by introducing a housing project in Kharian Sarai-Alamgir. Being a developer we aim to provide safe investment opportunities to people. Having a vast experience of real estate development and success in Gwadar Golf City we intend to give people of Kharian, a complete community which can add value to their lives and enhance their living standard.
